Lab 03 IST 263

3, February 2023

1. Submit the file paths you wrote for #1, #2 and #3 above.
  - a. Use the steps above to write a file path from photo.png to contact.html
    - i. ../lab02/contact.html
  - b. Use the steps above to write a file path from contact.html to logo.gif
    - i. ../lab01/images2/logo.gif
  - c. Imagine there was an index.html file in the ist263 folder. Write the relative path from the bio.html file to the index.html file.
    - i. ../index.html
2. Submit the GitHub URL for this lab's web page.
  - a. <https://caileighgg.github.io/ist263/lab03/contact.html>
3. Submit the link to the validation you did above.
  - a. <https://caileighgg.github.io/ist263/lab03/contact.html>
4. Submit answers to the following:
  - a. What questions did you have about the lab?
    - i. How to list out the address so that it is on top of each other instead of one long line?
    - ii. I had to ask for help when putting a link on the words "My LinkedIn profile" because it was initially only on the image.
  - b. What was the hardest part of the lab?
    - i. The hardest part of the lab was pathing and fixing errors I made. I also mess up when I am using the (<a>) often.
  - c. Rate your comfort level with this week's topics.

3 ==> I can do this with help or guidance from others.

I chose this level because Rebecca the TA helped me a lot when I had questions on formatting, whether that's for headers or paragraphs. I also had questions for her about where to open and close the (a) I need more practice, I most likely couldn't have done the whole lab on my own, a benefited from assistance.
