New form submission on A New Form

Someone just submitted a form using Formspree. Here's what they had to say:

name

Caileigh Grimes

comments

I am filling out this form. I hope it works!

- a. 
6. Submit answers to the following:
 - a. What questions did you have about the lab?

I needed a refresher on the alt tags and how to do the validator.
 - b. What was the hardest part of the lab?

For me, finding my errors after validating
 - c. Rate your comfort level with this week's topics.

2 ==> I can do this on my own without any help.
