

IST 263 Project Milestone 3 – Site Media

Name: Caileigh Grimes

Description:

Creating a place where coxswains can go for resources about our position. I am a coxswain on the women's rowing team here at Syracuse. I have been coxing for 6 years and have some tips and tricks. However, because it is such a niche sport and an even more unfamiliar position, therefore there are minimal resources on the internet for coxswains to learn. I have a lot of knowledge to share with the younger coxswains who just started or just exploring to better themselves that have helped me grow to be the coxswain I am today.
