1. Where is your navigation going to be located on every page.
 - a. I will have the same navigation at the top on all my pages.
2. Will you need a footer?
 - a. Yes, I will put the footer at the bottom of the page.
3. How can you make a layout that is visually interesting and helps communicate your site content?
 - a. I'm trying to create balance by using images and text together on all my pages.
4. Don't forget you must have at least 2 distinctly different page layouts.
 - a. Yes, I created two distinct ones for all 3 pages and labeled them Page #, Option # at the top.
