3. Submit answers to the following:
   a. What questions did you have about the lab? What didn't you fully understand?
      i. I had trouble with the left floating tags and I had more trouble with the floating rather than the flex. I need to better understand what occurs with the floating.
   b. What was the hardest part of the lab?
      i. Organizing my divs
   c. Rate your comfort level with this week's topics.

      1 ==> I can do this on my own and explain how to do it.

      2 ==> I can do this on my own without any help.

      3 ==> I can do this with help or guidance from others.

         If you choose this level, please indicate HOW this person helped you.

      4 ==> I don't understand this at all yet and need extra help.
